Dear IB Parents and Students,

October is the registration month for International Baccalaureate Examinations that will be given in May 2018. It is important that parents and students carefully consider the options available for testing.

In the first year of the IB Program (11th grade), students are not allowed to take more than two examinations. This applies both for the Diploma as well as the Certificate candidate.

Parents and students are reminded that each college and university may differ on how much credit they will award for IB examinations. For example, most schools will award college credit for Higher Level exams with a score of 5 or above. The policy for awarding credit for Standard Level examinations will vary from university to university. Each candidate must consider their obligation and commitment to the successful completion of their chosen course of study.

Test Fee Program 2017-2018

For 2017-2018, as a result of funding provided by the Oregon State Legislature, low income students who show proof that they qualify, will pay nothing for their IB exams. All other Oregon public school students taking IB exams will have their Subject Fees reduced.

Payment for exams is due on or before
WEDNESDAY OCTOBER 18, 2017

Students are assessed both a registration and subject fee for the IB examinations. Below is the fee schedule for the May 2018 examinations.
