

The staff and students of South Salem High School

Welcome the Class of 2021

To our second annual LINK Crew Freshman Orientation!

Tuesday, September 5th, 2017
(1st day of school for all freshmen)
7:30 am – 2:20 pm

The **purpose** of this orientation day is to make the transition from middle school to high school a **positive** and **FUN** one! Seniors and juniors (your LINK Leaders) will be serving as mentors to guide you through your first day of high school. You can expect fun and easy team-building activities, a tour of the school, a free BBQ lunch, as well as the chance to get to know your LINK Crew Leaders who will be helping and working with you during the school year.

Please wear comfortable clothes and do not bring anything with you. You won't need your backpack or any school supplies until regular classes begin on Wednesday.

We are excited to welcome you to our Saxon family!
