ACADEMIC HONORS

For thirty-four years, South Salem High School has had a tradition of honoring students who have exceptional academic credentials by awarding them with a South Salem High School academic letter.

During the evening, students will receive various awards and honors. To be recognized for academic honors, the following criteria are used:

- ❖ Students must have either junior or senior status;
- ❖ They must have an unweighted, cumulative GPA of 3.5 or higher;
- ❖ Students must have been enrolled in at least 5 graded classes each semester;
- ❖ All high school level classes on the official student transcript will be included;
- ❖ Two levels of awards for unweighted, cumulative GPAs will be presented;
- ❖ Students may receive one or both, depending on whether they are eligible junior and senior year only. In addition, there will be recognition of students who have 5,6 and 7 consecutive semesters of an unweighted, cumulative 3.5 GPA or better.

Academic Letter – Students with an unweighted, cumulative GPA of 3.5 or above during their junior or senior year.

Academic Pin – Students with an unweighted, cumulative GPA of 3.5 or above during BOTH their junior and senior year.

Academic Bar – Students receive an academic bar to be placed on their academic letter if the student maintained an unweighted, cumulative 3.5 GPA or above for five consecutive semesters.

Academic Certificate – Students receive an academic certificate if the student maintained an unweighted, cumulative 3.5 GPA or above for six consecutive semesters.

Academic Cord – Students receive academic cords to be worn at graduation if the student maintained an unweighted, cumulative 3.5 GPA or above for seven consecutive semesters.
